

Leo and the Green Dino

Year 1 · Phonics · ai, ee, igh, oa · Little Wandle Phase 3

Read the story together. Every word can be sounded out with the sounds you know.
Then talk about the last page.

Page 1

It is a wet, wet night. Leo is in bed. Tap, tap, tap! Leo can hear it.

Leo gets up. He can see a big green tail in the rain.

It is a dino! A big, big dino with green feet.

The dino has a red coat on. Leo and the dino go up the road.

Up, up, up. The hill is high. Leo and the dino are at the top.

Get in the boat! The boat can float. They sail and sail.

It is a deep, deep sleep for the dino. Night, night, dino.

Leo paints his dino. A green tail, green feet and a red coat. What a night!

Talk about it

- Can you hear the ai sound in rain? Say it with me.
- Find the word with oa in page 4. What did the dino put on?
- Which sound is hiding in night?
- What would you do if a dino came to your road?
