Pip Gets Lost at the Park

Grade 2 • Picture book • Read-aloud or read-alone

Off to the Park

Mia has a puppy called Pip. Pip has a red collar and one white ear. Today they are going to the park. "Let's play!" says Mia.

The Butterfly

Pip sees a butterfly. It is yellow and it flaps right past his nose. Pip wants to catch it.

Pip Runs

Pip runs after the butterfly. He runs past the swings. He runs past the slide. He does not look back.

Where Is Mia?

The butterfly flies up high. Pip stops. He looks and looks. Where is Mia?

Small and Scared

Pip cannot see Mia. He cannot see the swings. He feels small and scared. His tail goes down.

A Big Dog

A big dog comes by. "Woof?" says the big dog. Pip does not know this dog. Pip hides under a bench.

Up the Tree

A squirrel runs up a tree. Pip watches it go. Then he hears something. It sounds like Mia.

Mia Calls

"Pip! Pip!" calls Mia. Pip runs to the sound. He runs past the slide. He runs past the swings.

Found!

Mia is by the big oak tree. She opens her arms. Pip jumps right into them.

Wag, Wag, Wag

"I found you!" says Mia. Pip licks her nose. His tail goes wag, wag, wag.

Home Time

On the way home, Pip stays close. He does not chase butterflies. Not today.
